To Whom ever is representing Mrs. Anthony
From Mr. Jerry L. Jackson
Re Casey Anthony v. State of Florida

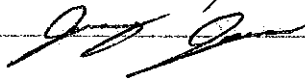

08 CF 15606-0

This will be the first and also the last time you will hear from me regarding this matter. The only reason I am about to give you this information is because I feel that I am doing the right thing. The reason I am writing is because a young girl by the name of Casey Anthony was abused and charged with killing her daughter. I happen to know for a fact who killed her in which who is not Casey Anthony. The person that killed her was a guy whose name I will not reveal at this time. But the guy was in a relationship with Mrs. Anthony and I don't think that Mrs. Anthony knew that the guy had been ~~not~~ charged before with child molestation on three accounts in New York but the charges were dropped. The dude just got out of prison and use to brag to me about how he did the little girl and how her mother get stuck with the charge. He also told me specific thing about how he did it that I feel only the letter would. He also left me three pictures of the little girl which I still have. If ~~the~~ you are interested in the truth write me back as soon as you can. Because I am willing

to tell you the full name of this person and
he still lives in Orlando. I am also willing
to testify if it comes to that. Thank you
for taking the time to read and consider
this letter. I will give you until ~~8/15/09~~ 8/15/09
to respond to this letter after ~~that~~^{then} I'm going to the
grave with this.

Sincerely

A handwritten signature in cursive script, appearing to read "J. J. Jones".
